Steve:

Ms. Damaris Carlos, who is arranging the logistics of your visit to Riverside, noticed that you had made your own reservations at the Marriott Hotel. She wondered whether you had a particular reason for staying there rather than the Mission Inn. The Mission Inn is one of the most spectacular hotels (a historic landmark) I have ever stayed at around the world, and you and Mrs. Lewis would very much enjoy staying there.

Let us know if you would like to stay at the Mission Inn instead. Damaris can then make a reservation for you there, and you could cancel your reservation at the Marriott.

Also, I wanted to let you know, in case it is helpful, that UC Riverside has a special negotiated rate with Hertz Rent-a-Car that is very attractive. If you are making your own reservation online, you may simply use the discount CDP code 72131 to avail of the UCR rate. If you would like Damaris to make the reservation for you, please let us know.

We are all looking forward to your visit here next week. Meanwhile, have a happy Thanksgiving!

Best,
Anil
